FIG. 23 is a cross-sectional view of a circular device. The device has a central circular region with a crosshair. Surrounding this central region is a ring divided into segments, some of which are hatched. This ring is enclosed by a dashed circular line. The entire assembly is within a larger circular frame. Labels include 40, 52, 54, 60, 62, 64, 160, 1601, 42, 44, 46, and 54.
